

NO: PH-222
DATE: November 2021

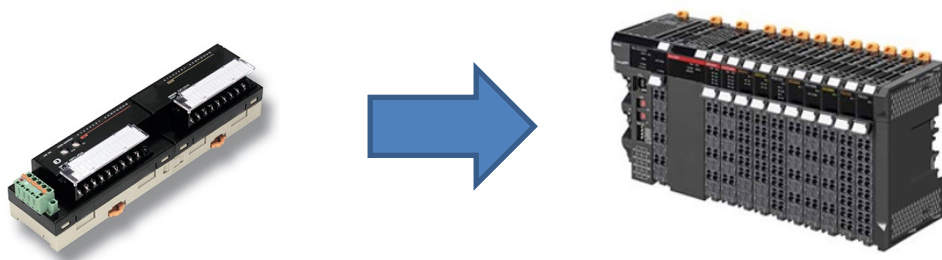

PRODUCT: DRT2
TYPE: Discontinuation Notice

Discontinuation Notice- DRT2-AD04 and DRT2-DA02

Due to the sudden component unavailability Omron needs to quickly discontinue the DRT2-AD04 and DRT2-DA02 analog modules

Unfortunately we will have very limited remaining availability of this part. Product manufacture will end on November 30, 2021. The replacement product will be the NX-I/O series of product. Moving to NX-I/O will require either Ethernet/IP or EtherCAT connectivity. There are several versions of analog input and output available in the MX-I/O product line. Please review the NX-I/O available parts and specifications to find a suitable replacement analog module.

The NX-IO product line can be reviewed at: [NX Modular I/O | Omron](#)

Products to be Discontinued
